PROTO

Bring your desires to life

We make our prototypes at scale 1 according to the design imagined at Sima.

Each model is digitized in 3D before the production of a pre-series by the factory.

The tests carried out then lead to improvements until the final validation.

Non-contractual data. Some of the equipment in this brochure is only available as an option.

X-Ride 650

Favorite at first sight ...

X-Ride 650 White Pearl

The X-Ride reminds us of good times. It combines a classic look with modern technology for our greatest pleasure.

A unique design for a real driving experience.

Switchable ABS

LED headlight

Radial caliper, anodized aluminum rims

X-Ride 650

One more toy...

Non-contractual data. Some of the equipment in this brochure is only available as an option.

X-Ride 650 Gloss Black

Euro 5 electronic fuel injection, Switchable ABS, radial front caliper and master cylinder, aluminum swingarm, gas monoshock, aluminum handlebar, luggage rack, LED front and rear lights, vintage speedometer, electric starter and aluminum anodized rims.

Rear luggage rack

Vintage counter

Six Hundred 650

Modern
Classic
Iconic

Non-contractual data. Some of the equipment in this brochure is only available as an option.

Six Hundred 650 Night Blue

The Six Hundred, a unique motorcycle that features **classic styling with all the benefits of modern components.**

Fantastic handling and agility for this big 650 cc mono.

It is the result of know-how developed over 10 years by Mash and a desire to create an accessible motorcycle with a timeless design.

LED headlight

Front brake with 4 piston caliper

3D Mash Logo

Non-contractual data. Some of the equipment in this brochure is only available as an option.

Six Hundred 650

English charm

Six Hundred 650 British Green

650 cc single-cylinder engine, 4 valves, air / oil cooling, 4-piston front caliper, double rear piston, switchable ABS, LED lights, speedometer / tachometer / tripmaster, two-tone paint and stainless steel spoked rims.

Comfort two-seater saddle

Counter and tachometer

Double chrome exhaust outlet

Non-contractual data. Some of the equipment in this brochure is only available as an option.

A green Mash Side Force motorcycle is parked on a grassy hill. The motorcycle features a large headlight, a black fuel tank with 'MASH' branding, and a license plate that reads 'SF 4077'. The background shows a vast landscape of rolling hills and mountains under a clear sky. The motorcycle is positioned on the left side of the frame, facing right.

Side Force

The ideal
companion for
all your family
adventures ...

Side Force

A new unrivaled price / equipment ratio. The new generation Side Force has evolved in depth. More powerful and more torquey motor, larger basket, solid balance forks providing lighter steering. It will take you both for a crossing of Europe and for your Sunday outings with the family.

A new 445 cc Euro 5 single-cylinder engine, air-cooled and 4-valve oil cooler. 3-disc braking system, a rear brake coupled with the basket. 5-speed gearbox with real reverse gear. 3-seater homologation. Spare wheel interchangeable at three locations. Several original storage possibilities (two cartridge belts, a lockable luggage compartment). Luggage rack basket and lower protection bumper. Passenger step. Flashing protection cage. Digital counter. 2 UBS sockets (basket and handlebars).

Armed horn (optional)

445 cc engine with reverse gear

Balance fork

Spare wheel cover (optional)

Multifunction digital counter

Luggage compartment lockable

Tonneau cover (optional)

Five Hundred 400

As she emerges from the
silver screen.

Straight onto our streets.

MASH

Non-contractual data. Some of the equipment in this brochure is only available as an option.

Five Hundred 400 Irish Green

New Five Hundred, the charm of the 400cc mono.

A timeless design, modern technology and specifications (ABS, injection).
It's the unforgettable motorcycle!

Rear disc brake, Twin chrome exhaust

Classic dashboard

Switchable ABS

Non-contractual data. Some of the equipment in this brochure is only available as an option.

Two Fifty 250

Stylish and versatile

Two Fifty 250 Matt Black

In the neo-retro world, **the Two Fifty is a benchmark in terms of feather-weight** at just barely 140 kg fully loaded.

Its very compact size and low seat height would almost make it look like a 125 cc.

Vintage digital / analogue counter with gear ratio engaged, cross handle-bars, LED lights, aluminum front headlight grill and central stand.

ABS braking

Thermal bands Wrapped Exhaust

X-Ride 125

We only see her!

X-Ride 125 White Pearl

Powered by the brand new Hyosung 125 cc 15 hp 4T engine with liquid cooling, fuel injection, four valves, electric starter and 6-speed gearbox, **the X-Ride 125 becomes the new benchmark in its category.**

Its "back to the future" design and its first-rate performances naturally lead it to occupy a leading position.

Inverted forks, monoshock, aluminum swingarm and long travel suspensions provide the X-Ride 125 with excellent ride comfort on all surfaces.

On the safety side, it has wavey ABS disc brakes.

Latest generation Hyosung Euro 5 engine

Digital counter with gear indicator engaged

X-Ride 125

Fashion victim,
and so ...

X-Ride 125 Gloss Black

Standard equipment: liquid cooled engine, 4 valves, 15 hp, fuel injection, aluminum swingarm, inverted forks, LED headlight, luggage rack, engine guard, radial master cylinder, Fatbar handlebars, wavey disc brakes, ABS, Twin exhausts.

Rear luggage rack

Lockable Monza fuel cap

LED headlight

Black Seven 125

Let's ride baby...

Non-contractual data. Some of the equipment in this brochure is only available as an option.

Black Seven 125 Matt Black

Forget that you are driving a 125 cc, thanks to the performance of the new Hyosung 4T liquid-cooled engine, 15 hp, fuel injection , four valves, electric start and 6-speed gearbox.

Comfort and great autonomy are among the strengths of the Black Seven 125.

Hyosung 4T engine, twin shaft single cylinder

ABS

Stainless steel exhaust line

A man is walking towards the camera on a cobblestone street. He is wearing a dark green quilted leather jacket, blue jeans, brown leather shoes, and a brown baseball cap with a logo. He is holding a dark green racing helmet in his left hand. The background features a stone wall with an arched doorway and a potted plant on the left. A thin white line is drawn across the image, looping around the man and the helmet.

British Seven 125

de COLOMBIER

Non-contractual data. Some of the equipment in this brochure is only available as an option.

British Seven 125

Hyosung 15 hp engine, liquid cooling, fuel injection, 6-speed gearbox, stainless steel exhaust, ABS, large capacity tank with lockable Monza cap and dual counter / tachometer dashboard with gear indicator.

ABS braking

Dual counter / tachometer instrument panel

14L tank with lockable Monza cap panel

Mash comfort seat

Seventy Copper 125

1st Prize at the
Beauty Contest

Non-contractual data. Some of the equipment in this brochure is only available as an option.

Seventy **Copper** 125

A new vintage style for those who face urban traffic every day.

Everything has been thought out so that your daily trips become a moment of pure pleasure.

While riding there is no doubt that you will attract all eyes.

Vintage counter

Thermal strip

Matt copper paint

Seventy Cult 125

Racing Spirit

Seventy Cult 125

Its race-inspired revival look sets this special series apart.

It offers neat and original stylish equipment such as a wrapped exhaust and upholstery to match its two-tone tank.

With this Seventy 125 Cult the racing spirit is sure to embellish your rides in the city.

LED headlight with aluminum protection grill

Seventy Matt Black 125

Simple is the best

Seventy Matt Black 125

When looking for a beautiful, elegant, robust and economical machine, the Seventy 125 stands out.

Its engine of legendary reliability is an air-cooled single-cylinder block with electronic fuel injection.

LED headlight, aluminum headlight grill, wrapped exhaust, combined braking (CBS), fork gaiters and 3-piston caliper.

Fork boots

Havana seat

Combined braking (CBS)

Cross handlebar and LED headlight
